During the Senior Student Symposium, April 20th and 21st junior students have the option of attending clinical for 4 hours each day or opting to make-up these hours in advance and not attending clinical on these days. Remember that make-up time must be scheduled and confirmed with the clinical instructor in advance, and that students can not attend clinical for more than 40 hours per week including make-up time. Please let your clinical instructor know asap which option you will be choosing.
